PURE

PURE

60 min. (145 EUR)

Negovalni ritual za občutljivo kožo, ki prebuja ravnovesje, svežino in naravni sijaj. Nega združuje temeljito čiščenje, nežen piling in visoko učinkovite esence, podprte z rastlinskimi matičnimi celicami, ki kožo obnavljajo in krepijo. Razkošna dvofazna maska z regenerativnim in detox učinkom deluje revitalizacijsko, sproščujoča masaža obraza pa poudari občutek popolne harmonije. Rezultat je pomirjena, negovana in sijoča koža z zdravim, svežim videzom.

A nurturing ritual for sensitive skin that restores balance, freshness, and a natural glow. This treatment combines deep cleansing, a gentle exfoliation, and highly effective essences enriched with plant stem cells that support skin regeneration and strengthen its natural defenses. A luxurious two-phase mask with regenerative and detoxifying properties revitalizes the skin, while a relaxing facial massage enhances a sense of complete harmony. The result is calm, nourished, and radiant skin with a healthy, refreshed appearance.

LONGEVITY ANTI-AGING – 4D LASERSKA SVETLOBNA TERAPIJA

LONGEVITY ANTI-AGING – 4D Laser
Light Therapy

80 min. (185 EUR)

Napreden anti-age ritual, ki združuje inovativno 4D lasersko svetlobno masko in visoko koncentrirano molekularno kozmetiko VINOBLE COSMETICS, ki delujeta sinergijsko na globlje plasti kože. Laserska svetloba spodbuja tvorbo kolagena, izboljšuje strukturo kože ter zmanjšuje vidnost finih linij, gub, pigmentnih madežev, rdečice in temnih kolobarjev. Izbrana maska in zaključna nega dodatno okrepi učinek terapije. Rezultat je vidno pomlajena, čvrstejša in enakomernejša polt z zdravim, sijočim in mladostnim videzom.

An advanced anti-aging ritual combines an innovative 4D laser light mask with highly concentrated molecular cosmetics by VINOBLE COSMETICS, working synergistically on the deeper layers of the skin. Laser light stimulates collagen production, improves skin structure, and reduces the appearance of fine lines, wrinkles, pigmentation, redness, and dark circles. A carefully selected mask and finishing care further enhance the overall therapeutic effect. The result is visibly rejuvenated, firmer, and more even-toned skin with a healthy, radiant, and youthful appearance.

NEGA TELESA

Body Treatments & Rituals

RELAX masaža

RELAX Massage

60 min. (90 EUR) | 90 min. (145 EUR)

Sprostitutvena masaža, namenjena globoki relaksaciji telesa in uma. Z nežnimi, tekočimi gibi sprošča napetosti, umirja živčni sistem ter povrne občutek lahkotnosti in notranjega ravnovesja. Idealna izbira za popoln odklop in obnovo energije.

A relaxing massage designed to promote deep relaxation of both body and mind. Gentle, flowing movements release tension, calm the nervous system, and restore a sense of lightness and inner balance. An ideal choice for complete disconnection from everyday stress and a renewal of energy.

DEEP TISSUE masaža

DEEP TISSUE Massage

60 min. (90 EUR) | 90 min. (145 EUR)

Ciljno usmerjena masaža, prilagojena vašim individualnim potrebam. Osredotoča se na globlje mišične plasti in problematične predele telesa, kjer učinkovito sprošča napetosti in mišične blokade. Posebna pozornost je namenjena hrbtu in vratu, masaža rok in stopal pa aktivira refleksne cone ter kožo neguje z izbranimi kremami, prilagojenimi njenemu stanju.

A targeted massage tailored to your individual needs. It focuses on deeper muscle layers and problem areas of the body, effectively releasing tension and muscular blockages. Special attention is given to the back and neck, while hand and foot massage activates reflex zones and nourishes the skin with selected creams adapted to its specific condition.

Piling telesa

Body Scrub

30 min. (65 EUR)

Razkošen negovalni ritual za gladko, mehko in revitalizirano kožo. Tretma se začne z nežnim čiščenjem in pilingom, ki odstrani odmrle kožne celice in pripravi kožo na nadaljnjo nego. Sledi sproščujoča masaža celega telesa z izbrano hranilno kremo in negovalnim oljem, prilagojenima stanju in potrebam vaše kože. Visoko učinkovite aktivne sestavine med masažo prodrejo globoko v kožo, jo intenzivno negujejo ter ji povrnejo mehko, prožnost in zdrav, sijoč videz. Zaključni ritual zaokroži občutek popolne nege in sprostitev.

A luxurious nurturing ritual for smooth, soft, and revitalized skin. The treatment begins with gentle cleansing and exfoliation, removing dead skin cells and preparing the skin for further care. This is followed by a relaxing full-body massage using selected nourishing cream and caring oil, tailored to the condition and needs of your skin. Highly effective active ingredients penetrate deeply during the massage, intensively nourishing the skin and restoring its softness, elasticity, and healthy, radiant appearance. The finishing ritual completes the experience, leaving you with a sense of complete care and deep relaxation.

Detox ščetkanje

Detox Dry Brushing

30 min. (55 EUR)

Poživljajoč negovalni ritual, ki nežno odstrani odmrle kožne celice in spodbuja naravno obnovo kože. Suho ščetkanje z naravnimi ščetinami izboljšuje prekrvavitev in tonus kože, pospešuje regeneracijo ter prispeva k bolj gladkemu in svežemu videzu. Tretma poživlja telo, prebudi energijo in koži povrne čist, vitalen sijaj.

An invigorating nurturing ritual that gently removes dead skin cells and stimulates the skin's natural renewal process. Dry brushing with natural bristles enhances circulation and skin tone, supports regeneration, and contributes to a smoother, fresher appearance. The treatment revitalizes the body, awakens energy, and restores a clean, vital glow to the skin.

NEGA TELESA

Body Treatments & Rituals

Energijsko ščetkanje

Energetic Dry Brushing

30 min. (55 EUR)

Nežen poživljajoč ritual, primeren tudi za občutljivo kožo, ki kožo očisti, zgladi in sprosti. Ščetkanje z mehкими naravnimi ščetinami odstranjuje odmrle kožne celice in manjše nečistoče, hkrati pa spodbuja občutek lahkotnosti in dobrega počutja. Tretma je dovolj nežen za redno izvajanje, kožo pa pusti mehko, negovano in prijetno osveženo.

A gentle, invigorating ritual suitable even for sensitive skin, designed to cleanse, smooth, and deeply relax the body. Brushing with soft natural bristles removes dead skin cells and minor impurities while promoting a sense of lightness and overall well-being. The treatment is gentle enough for regular use and leaves the skin soft, nourished, and pleasantly refreshed.
